ask a pharmacist

Our professionals do more than just fill prescriptions. We're here to help you make informed decisions on how to manage your health needs. Stop in today.

Medication counseling

Talk with your pharmacist one-on-one about any questions or concerns regarding all your prescriptions, including side effects and interactions with other prescriptions.

Over-the-counter consulting

Our pharmacists can help you decide which over-the-counter products are right for you and make sure they don't interfere with any prescription medications you are taking.

Ask us anything

Our award-winning team is here to help; we'd love to have you stop in and see us.

pharmacy programs & services

These programs and services offer convenience and ease during your visits. Plus, get great savings and rewards.

Vaccinations*

Walk in and see what vaccines you may need to help you stay healthy. They include flu, shingles, whooping cough, tetanus, meningitis and pneumonia.

Pharmacy Rewards**

Fill five prescriptions & get 5% off a day of shopping; earn rewards faster by filling pet prescriptions, getting vaccinations such as the flu shot and adding all family members to one account.

Pet Rx

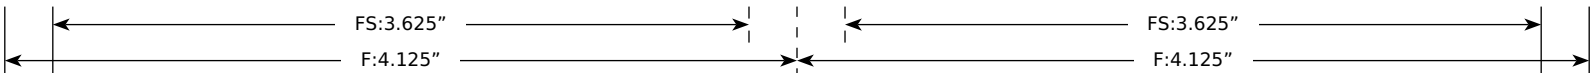

Ask your vet for a prescription and we'll take it from there.

Target Specialty Pharmacy

Services and support provided by highly trained pharmacy professionals to help manage your medications for complex conditions.

Prescription Saving Program

Save an average of 10%-50% on out-of-pocket prescription drugs.
